SUBMITTING THE THESIS

THE DUPONT LIBRARY THESIS SUBMISSION FORM

Your thesis should be submitted using the [Library Thesis Submission Form](#). On this form, you will be asked for the following information:

- Contact information (Name, email and mailing address)
- Thesis information (title, defense date, the abstract, keywords)
- Thesis submission (pdf or Word)
- Digital Repository Information (see below)
- Formatting and Printing Options (see below)
- Binding (see below)

DIGITAL REPOSITORY INFORMATION

An electronic copy of *either* the completed thesis or the thesis abstract (in either Word or pdf format) will be available on DSpace, a digital repository. Note that the electronic text, once stored, will be accessible to anyone who searches for it online; if you don't want the full text of your thesis to be accessible, there is an option on the form to release only the abstract.

PAPER COPIES

The University requires three copies of your thesis, one for the Library, one for the Archives, and one for the School of Letters Office. Thesis copies will be distributed to the Library.

If you choose to print your thesis copies yourself, they should be printed on 8¹/₂ by 11 inch white, acid free, quality bond paper of at least 20-pound weight and no less than 25% cotton content. Paper of this quality is designed to endure long-term library use. Print on only one side of the page. Be sure there are no smudges or extraneous marks on these copies. Again, these are to be submitted to the Library, not the School of Letters office.

Alternatively, you may order printed copies through the Print Services Department of the University for a fee. Information regarding ordering paper copies is on the Library Thesis Submission Form. When ordering from Print Services, payment is required upfront at the time of order.

PERSONAL COPIES

You may have personal copies of your thesis bound for a fee per copy. The Library Thesis Submission Form includes information for ordering personal copies. Understand that delivery times may take several months.

BINDING PROCESS

The Library will have the three required copies bound at no charge to you. If you want additional copies for your personal use, you can indicate this on the Library Thesis Submission Form.

COPYRIGHTING YOUR THESIS

If you wish to have your thesis copyrighted, information about copyright registration can be found on the U.S. Copyright Office's website: <http://www.copyright.gov/>. A copyright page must be included in your thesis with the following information centered at the bottom of the page remembering the 1-inch margin at the bottom:
